7 Stanes Challenge.....Have you got what it takes??

Over the course of the week you'll ride each of the 7 stanes from Glentroot in the west to Newcastleton in the east. (You can choose the level of trail suited to you -see right page for more details)

Glentroot - start gently on the Big Country Route, 58km of green & blue graded trails with testing climbs leading to magnificent views.

Kirroughtree –home to some of the best single track in the country including the red graded Twister, a 17km physically demanding loop with some real technical challenges.

Dalbeattie - don't be deceived by its relaxed feel & costal setting - the rough terrain is home to the Slab, the Terrible Twins & the Volunteer Ridge.

Mabie –fly round the Phoenix, a classic trail with testing climbs, fast descents, berms & water splashes. Or the Kona Dark Side 3.8km orange bike park graded trail with elevated wooden sections & loads of granite outcrops – one for the experts!

Ae - 13.5km of green & blue graded trail, the red graded Ae Line –Scottish Power Renewables Trail, an aggressive freestyle ride & The Shredder, an orange bike park graded downhill ride.

Glentress & Innerleithen –they share a stane & an awesome reputation for having some of the best mountain biking around including some great downhill, freeride & the red graded XC route.

Newcastleton –it's got the lot including a 16km red route with fast, narrow singletrack crossing bridges & boardwalks.
