Location:

Kirkwood is a mixed farm situated by the River Annan in the heart of the rolling hills of Dumfriesshire. It is located almost in the centre of the UK – only 10 minutes off the main M6/74 Glasgow-London motorway. London is 5 hrs away, Manchester 3 hrs, Carlisle 20 miles. There is a mainline train station at Lockerbie, just 4 miles away, but your own transport is recommended.

More details:

November is usually one of the best months for salmon on the Annan, and you will be fishing on 2 top class beats. You will fish hard, learning by experience with demos, talks and tuition sessions.

Accommodation is in Kirkwood's cottages, near Lockerbie. You will have your own bedroom but will share the cottage. Whilst normally self-catering, for the salmon school **all meals** (full breakfasts, packed lunches, evening meals) **are included in the price.**

We don't encourage fly fishing novices but there's no need for previous salmon fishing experience. This school suits anglers who have fly fished for trout perhaps, but now wish to try for salmon.

Sadly we must remind you that weather is a major factor in fishing and if faced with poor weather conditions we may have to change how we fish or the location. In very high water spinning and worming is possible and permitted. It is unlikely, that we would not be able to fish at all but it is possible. If so we would have extra tuition and talks; and organise more fly tying sessions etc. Once booked /paid, no refunds are given under any circumstances and we recommend that you purchase a suitable holiday insurance policy to cover you for any unseen eventualities.
