SHOOTING • FISHING • QUAD BIKING

## Go Fishing

### WE WILL TEACH YOU TO FISH!

We can teach both adult and youngster. We have salmon fishing on the river Annan, sea trout and brown trout there too.

Fly or spinning – all dependent on conditions: if its best for salmon we try salmon; if its best for trout we will target trout; if its best to spin, etc.

## Go Shooting

### WE WILL TEACH YOU TO SHOOT!

We can teach both adult and youngster. It may be with a rifle at targets or with a shot gun at clay pigeons. The emphasis is on safety first and an instructor / supervisor will be present at all times. Anyone not taking safety seriously will be stopped. After safety we will teach techniques and improve your accuracy. It is a fairly basic course and because of safety implications you can NOT go off afterwards and shoot in your spare time!

#### ACCOMMODATION

The cottages at Kirkwood are VisitScotland graded 3 star and set in the tranquil surroundings of the estate. You will share a twin bedroom (although separate rooms are available for a supplementary cost) in a cottage with other fathers and sons. The cottages are normally self-catering but for the duration of your stay all meals are included in the price.

There is also a small loch with rainbow trout. We will provide all equipment, instruction and fishing permits etc. It will be a basic course but it will get you going and you can go off afterwards and fish in your spare time (when not quad biking and shooting etc) later in the weekend.

## Go Quad Biking

### WE WILL TEACH YOU TO USE ONE!

We can teach both adult and youngster – with the aim being to go round the farm and maybe help with some farm/stock work. Again the emphasis will be on safety first and an instructor/supervisor will be present at all times. Anyone not taking safety seriously will be stopped. After we are sure of your safety we will teach techniques and go for rides. It will be a fairly basic course and because of safety implications you will not be allowed to go out quad-biking unsupervised.

#### OTHER ACTIVITIES

There is a FULL SIZED SNOOKER TABLE, in our games rooms along with TABLE TENNIS, DARTS, and some other games. You are welcome to bring BICYCLES although we can hire some basic ones, so there is plenty to do in the small amount of spare time that you might have.
